SAT BC

“We will pursuit new goals”

Do we really know our current risk?

Impact of your KPI's in Foreign Trade

*Federal + State
Government
performing audit
process*

*8 out of 10
Companies with a
big impact in fines*

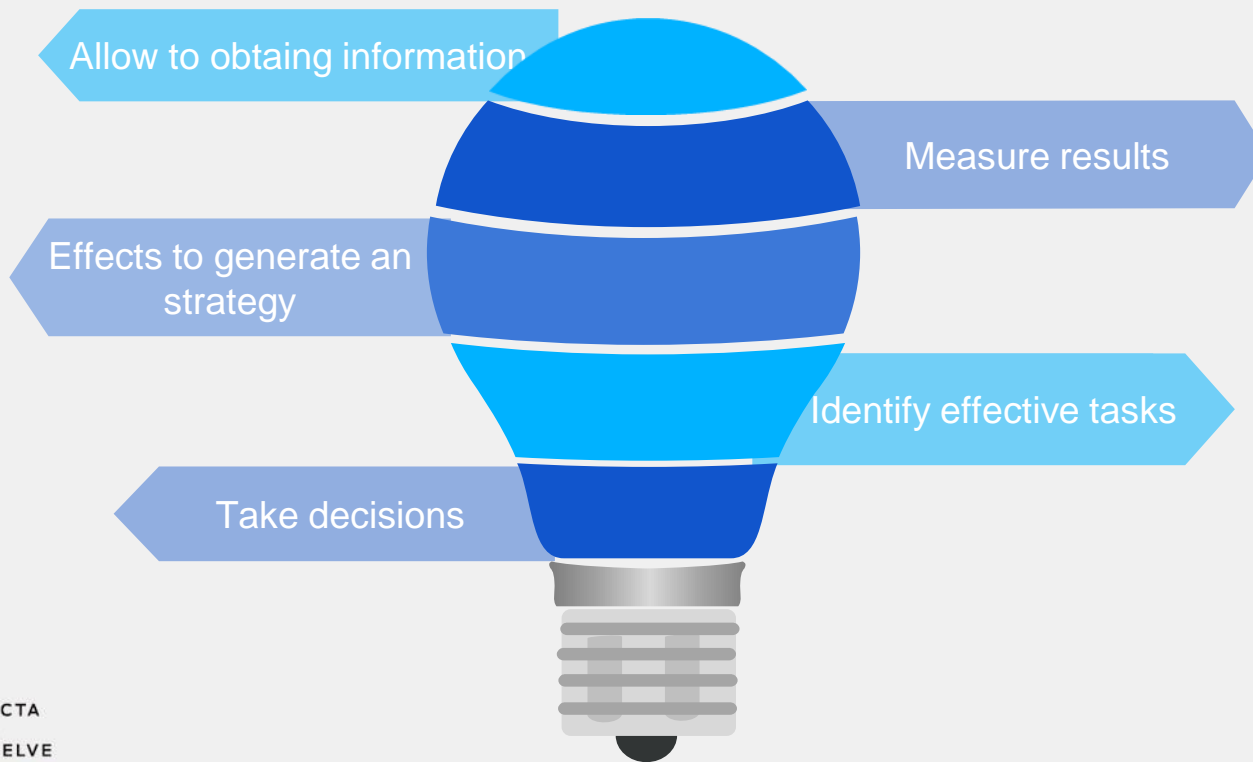

*1 Chance to
provide
correct
information*

Why?

- Criteria from the authority
- Lack of correct information by Company
- Lack of documentation that support a proper compliance

The good thing about KPI's in Foreign Trade

**9 out of 10 Companies lack of
effective KPI's**

COMPLIANCE
